Dale J Schmidt Sheriff **Scott Smith** Chief Deputy

Law of the Month

July 2016

No one likes to see trash in the ditches or debris blown into fences along the roads in Dodge County. Dodge County has an ordinance prohibiting littering which the sheriff's office enforces.

Littering carries a fine of \$200.50 and zero points.

Dodge County Ordinance 9.02 states: It is unlawful for any person to do any of the following: (a) Deposit or discharge any solid waste on or along any highway, in any waters of the county, on the ice of any waters of the county or on any other public property located within the county or its jurisdiction or on any other private property owned by another person located within the county or its jurisdiction. (b) Permit any solid waste to be discharged or deposited from a vehicle operated or owned by the person.

The sheriff's office takes littering seriously and will enforce the ordinance. Captain Trace Frost said "Dodge County is a beautiful area and we should all strive to keep it that way."
